ACRYLIC WATERPROOFING SERIES

ULTRAKOOL

54° HEAT REDUCTION ACRYLIC

- WATERPROOF
- THERMAL REDUCTION
- SUSTAINABLE
- WATER BASED
- REFLECTIVE
- 15 OR 7 YEAR WARRANTY
- EASY TO APPLY

WHAT IS ULTRAKOOL?

UltraKool is an acrylic waterproofing thermal reduction system that effectively lowers the heat on the surfaces where it is applied. The reflective action of its white color and ceramic microcells contained, reduce heat from the substrate. It is available in 15 or 7 year protection warranties.

Colors:

- Waterproof thermal insulation
- Heat protection and reduction capabilities
- Easy to apply. Low odor.
- Energy saving properties..
- 100% acrylic for longer duration
- Contributing to LEED certification.
- Cool roofing
